On behalf of The Paul Chester Children's Hope Foundation, I would like to invite you to support our 6th Annual Golf Outing, which will be held on September 24th 2018 at The St. Andrews Golf Club. This well-attended outing offers you a unique opportunity to network with members from premier businesses and raise significant funds to support surgical and medical care for children in developing areas of the world.

Established in honor of Paul Chester, a remarkable young man who was determined to help those less fortunate, The Paul Chester Children's Hope Foundation provides vital assistance to improve the health and well being of families in developing countries, giving them a chance to live productive lives through well-conceived medical interventions. Our programs fuel the potential for lasting good, by providing medical and surgical care to children and young adults where services are unavailable due to logistics or financial reasons.

Your participation in this outing will allow PCCHF to continue to provide resource starved communities with specialized medical care. From the child that needs burn scar revision surgery, to the children taught to brush their teeth, to the patient that can hear after ear-drum repair surgery, all those treated are given utmost care made possible by our generous donors.

Enclosed is sponsorship and ticket information for your review. The committee and I are grateful for your continuous support and sponsorship and look forward to having you join us again for this ever-popular event.

Should you have any questions or need further information, please do not hesitate to contact special event manager:

Soon Kwon soon@pcchf.org or 973-580-7021.

Respectfully yours,

Oksana Pidhoreckyj
EXECUTIVE DIRECTOR
